**U.S. Senator & Former Trade Representative Rob Portman  
On NAFTA: “We Should Improve The Agreement,’ Not  
Scrap It”**

**Senator Portman:** “In a conference call with Ohio reporters Tuesday, Portman said killing the 1993 North American Free Trade Agreement ‘would have a negative impact on auto workers, farmers and service providers in Ohio,’ adding ‘we should improve the agreement,’ not scrap it. ‘Most of our exports from Ohio go to Canada and Mexico,’ said Portman, who served as U.S. Trade Representative under President George W. Bush.” (Jack Torry, “Portman Warns Trump: Killing NAFTA Will Kill Jobs In Ohio,” [Dayton Daily News](#), 1/23/18)
