U.S. Trade Representative Robert Lighthizer: “Committed To Moving Forward” On NAFTA

U.S Trade Representative Lighthizer: “The United States views [North American Free Trade Agreement] NAFTA as a very important agreement. We are committed to moving forward. I am hopeful progress will accelerate soon. We will work very hard between now and the beginning of the next round, and we hope for major breakthroughs during that period. We will engage both Mexico and Canada urgently, and we will go where these negotiations take us.” (Press Conference, 1/29/18)
